CUSTOMER REVIEW

Quality Boats

As far as we are concerned, what sets Quality Boats apart from other boat dealers is their AWESOME Cruisers Club. We had professional treatment from Eric throughout the purchasing process of our new Grady in November 2021. Our satisfaction was enhanced upon joining the Cruisers for three exciting trips beyond our local waters. This helped to build our confidence while enjoying the experience and making great friends with fellow boaters. We can't say enough about the hard work and diligent effort of Amy. We also had the pleasure of traveling with boat leaders Cody, Eric, and Tom. Thank you all! We learned a lot from you.

Looking forward to the next excursion.

Fred and Sharon Farahani
