HIGHLIGHTS

QUALITY BOATS SARASOTA OKTOBERFEST

More than 100 people attended Oktoberfest at Quality Boats Sarasota this past weekend. Guests enjoyed food from friends at Pinecraft Barbeque Supply and great beer from 99 bottles. The main attraction was new Pursuit and Regal models.

CUSTOMIZED GIFTS FOR CLOSING/DELIVERY

Captain Megan Gaster at Legendary Marine had custom gifts made for a recent closing.

In addition to a handmade scrapbook with photos of their build start to finish, some swag, a thank you card, and a christening bottle (private ceremony with family), Megan had a cutting board engraved from a local gift shop with a line drawing of their actual boat.

Megan's Cutco rep had the Legendary Marine logo on file and was able to help her choose a Fisherman's Solution fillet knife and Hardy Slicer multi-purpose knife, which are both engraved with the customer's boat name.

Megan's Cutco rep is Jordan Bleiweiss; he

★★★★★ 5-STAR REVIEWS

Phil Dill Boats

We purchased a used tritoon Bennington from another boat shop 3 hours away. We needed some help from a Bennington dealer. Phil Dill Boats had the best reviews so I called them. Chris, the parts manager, was the first person I spoke with; he answered all my questions and was so helpful. Told us we can transfer the warranty to our name and get some things fixed. I'm so grateful to Chris; he is awesome. I also would like to give a shout-out to Kim in the business office; she helped us transfer the warranty. These two employees have gone beyond what they had to do for someone who did not buy a boat from their boat shop. We will continue to tell our friends and family about Phil Dill Boats—they will receive my future business.

Spend-A-Day Marina

Hey there.

We arrived at 4:40 pm today. Kudos to your staff. Guy running staff. From guy on lift truck in lot to two people in service. I told the lady that took my info I wasn't sure if my toons needed acid or not. She followed me out and said they didn't look bad at all. Pressure was only would suffice. Another guy helped unhook & chalked the tires. Not only nice but kept a business pace. Being a business owner I appreciate that. Great operation.
