It's time again to take advantage of this simple way to set aside some of your hard-earned pay for the holidays.

Please log in to the Paylocity Self-Service Portal and enter the dollar amount you'd like to be deducted from each paycheck. Instructions can be found below.

BOSUN'S MARINE "GET HOOKED ON FISHING" SEMINAR SERIES

Bosun's Maryland just finished up the first two sessions of its annual "Get Hooked on Fishing" educational series.

January's fishing seminar was open to the public while February's seminar was an exclusive Garmin event. Customers rotated tables, and each table educated them on a different topic.

Everyone enjoyed both events, and the Bosun's team is looking forward to the next event in March.

REVIEWS

★★★★★ 5-STAR REVIEWS

CAPTAIN'S CHOICE MARINE

Absolutely insane customer service...insanely good! We switched our services from an "unnamed" boat dealership in Lexington and I wish we would have done so sooner. Rhonda in the service department has gone out of her way to take care of us...professional, friendly, and integrity are all characteristics that come to mind when I summarize my experience so far. They really care about their customers and not just from a sales standpoint because building relationships with their customers is an obvious priority to them.

5 stars all day long!
