SMG Boats

Exceptional knowledge and service! We just recently purchased our 2nd boat from SMG and couldn't be more impressed with their responsiveness and customer service. Larry Petro is your guy if you're looking for a new or used boat! Larry and JT have provided the best purchasing experience I think you could ever ask for. George Harsh in financing couldn't have been better with navigating us through both the purchasing and warranty processes! Thank you to the entire SMG team!!

Caribee Boats

Tony, I met you this week as I purchased a 2024 Maverick HPX-V. I am sending you this note about the amazing experience I had with your Salesman Captain Brad Marceron. From the time I called him and all the way through the process Brad was exceptionally professional, knowledgeable and resulted in the best boat buying experience I have ever had!

I served 27.5 years active duty in the US Army so I have a great deal of experience with people so it was wonderful to have Brad as my salesman! No doubt you also see his ability as well as his performance. Brad made my boat buying experience an absolute wonder and I wanted you to know that you have an incredibly talented man on your team! I have never been happier buying my boat from you!

I also met many others on your team and each one was highly professional! Thank you very much!
