## ★★★★★ 5-STAR REVIEWS

### *Legendary Marine*

May I also convey how impressed I was with Connor in completing this job. There are very few technicians that are willing to tackle a job this large with minimal experience on the subject and to complete it flawlessly I was blown away. I look forward to working with your team in the future!

## ★★★★★ 5-STAR REVIEWS

### *Phil Dill Boats*

We recently purchased our first family boat, a Regal 2500, from Phil Dill Boats, and the entire experience was exceptional! From start to finish, their team made the process smooth, enjoyable, and stress-free.

Hunter and Travis in sales were outstanding. They were incredibly knowledgeable, patient, and helpful in guiding us through our options. They took the time to answer all our questions, ensuring we felt confident and informed every step of the way.

Cory in the finance department made what could have been a complicated process feel seamless. He was upfront, honest, and clear about every detail, which we truly appreciated.

Rachel in the parts department was also fantastic, helping us select the right accessories for our boat with expertise and a friendly attitude.

The whole team at Phil Dill Boats demonstrated professionalism, honesty, and a genuine desire to make our boat-buying experience a pleasant one. We couldn't be happier with our new Regal 2500 and highly recommend Phil Dill Boats to anyone in the market for a boat. Thank you, Hunter, Cory, Rachel, and Travis, for helping us make this dream a reality!
