COMING SOON

At OneWater Marine, we're all about delivering first-class experiences—not just for our customers, but for you, our valued employees. That's why we're thrilled to introduce a brand-new tool to simplify all things HR, payroll, recruiting, and time management: ADP!

Starting December 22nd, ADP will replace Paylocity as your one-stop shop for:

- Clocking in and out (if you are a non-exempt employee)
- Viewing your pay statements and tax info
- Requesting time off
- Updating your personal details
- Setting up direct deposit
- And so much more!

Before the big switch, you'll have an opportunity to log in to ADP and make sure all of your information is correct.

We'll be sharing more details in the coming weeks, including key dates, steps you'll need to take, and helpful training resources to make the transition smooth and easy. Be sure to keep an eye on your email and OneWater Connect, so you don't miss these important updates.

We're excited about this change and can't wait for you to see how ADP makes managing your work life simpler than ever!

Quality Boats

I purchased a new 32 foot pursuit from Michelle and Chris here. They have been the most helpful, accommodating and knowledgeable sales person/manager, I've ever been exposed to. Just great to deal with. No hard sell, no pressure, helpful and communicative at every turn. Coming from South Florida, this is a completely different experience than my last exposure to a dealer. This family-owned business employs the right kind of people, where there is as much value in the staff as there is the boat itself. I expect this to be the first of many deals with them and I'm infinitely confident in my ability to get service and help whenever I need it in the future due to their integrity I've already seen on display.

The Slalom Shop

I have never been to this shop myself, but I am very happy with how my wife and son was treated during their visit and purchase of a boat. This shop treats customers like family and even after we purchased the boat invited them back the next day and helped them take it out for a fun day on the lake. This was the best experience we have ever had making a major purchase. Thank you so much.
